ALLIANT ENERGY FOUNDATION GRANT

BAYER HOLIDAY PARTY

WHAT A YEAR!

Alliant Energy Foundation Grant

The team at MCSA is happy to announce that we were selected for a 2019 Community Grant from the Alliant Energy Foundation! The grant funding will be used to purchase bus tickets for our guests that face barriers with transportation. A huge thank you to the Alliant Energy Foundation for approving our proposal!

At MCSA, we help support our guests in gaining or maintaining employment, staying in school, making it to appointments, and more. These bus tickets will allow our guests to get to where they need to be, and will help them stay on the track to self-sufficiency.

Bayer Holiday Party

Our incredible friends at Bayer hosted their annual Holiday Party for our guests, and it was a blast! Each year, the crew from Bayer picks out presents, caters dinner, and arranges for Mr. & Mrs. Clause to make an appearance. This party brightens up the holiday season for all of our guests, young and old, and is a highlight that we are lucky to experience as staff. Thank you Bayer!

What a Year!

2019 was the quite a remarkable year for Muscatine Center for Social Action! The last year of the decade ran its course, and we were happy to be a part of the story.

Looking back on the year, we are filled with appreciation of our community. It's reassuring to know that we are surrounded by people who care about those in need! No matter what came at us in 2019, our community was there to cheer us on, volunteer their time & effort, teach us new things, boost our spirits, and energize us. We would not be the Muscatine Center for Social Action without the caring community of Muscatine around us.

In the new year, we are excited for positive change, more chances to work with our neighbors who need a hand, meeting new people, and more. We also look forward to working with others and learning new ways to help meet needs in Muscatine!

If you are curious about what we do or want to learn more, we invite you to be a part of the story in 2020 and stop in for a tour! This is great way to learn more about MCSA, check out our facility, and meet Boots, our trusty feline companion.

Thank you for a wonderful year!
